## SKILLS

- MERN
- TypeScript
- TailwindCss
- Git Version Control

## TOOLS

- VsCode
- Postman

## PROFILE SUMMARY

I am a passionate Web Developer with 6 months of hands-on experience in building responsive and scalable applications using the MERN stack. I specialize in creating clean and user-friendly interfaces with React and Tailwind CSS.Eager to learn and adapt, I constantly seek opportunities to grow by gaining knowledge from anyone—be it peers, mentors, or real-world projects. My approach combines technical proficiency with a strong curiosity for continuous learning.

## WORK EXPERIENCE

**CodingZone Solutions**                    JAN 2025 - PRESENT

Here, I completed 6 months Industrial Training Program, where I learned a lot of things about technologies and also working on a project named as Food Restaurant Web App using MERN STACK.

## EDUCATION

**Btech C.S.E.**                    July 2021 - June 2025

Lyallpur Khalsa College Technical Campus

C.G.P.A. - Pending
